

## Bob Hunt-Circus Boy

"Circus Boy" skillfully weaves varied activities such as fire-eating, audience involvement and mouth juggling in a delightful patchwork that brings the finest of the variety tradition to a contemporary setting for today's audience. Visually stimulating enough for an auditorium and cerebrally intimate enough for smaller groups, Circus Boy can entertain all ages.

"The surprise **show-stopper** of the production was **Bobby Hunt**, who had the audience **screaming with delight** to his hilarious bits as **Circus Boy!**"  
- Daily South Town

"The **most entertaining** component of the show is **Bobby Hunt**, the featured comedian... a balancing act with a **clever line of patter**. **Circus Boy** nimbly works the audience, bringing on spectators for some **funny interaction**. His act would be **just as effective in a nightclub** as in the theater."  
- Copley News Service
